# FRIENDS AND FAMILY TOURS

---

Its the perfect time to explore with  
friends, family and the National Trust!  
Covid Safe!

## HAVE AN ADVENTURE WITH US!

Just put together a group of your family and friends, select your tour and give us a call or book on our website. We will take care of the rest! Our tours are:

- Convenient and private - up to 8 friends and family members join our tour guide and driver on each tour.
- Amazing stories and experiences – discover our home in a way you haven't seen it before!
- Safe for family and friends - reduced risk of exposure to groups means you are safer.
- Full day or half day tours available Sunday to Sunday- flexible to your schedule!
- Sit back and enjoy the ride!
- You can bring your own meals and drinks or have us arrange them for you!

Nelson Island Overhead, Richard Ramirez ▲

## NELSON ISLAND HERITAGE SITE

RENEWABLE ENERGY AND HISTORY ALL IN ONE

A flagship example of how renewable energy can power an island, join this tour to discover the rich history of Nelson Island and Five Islands and the role these islands played in the country's evolving history. See solar energy in use, a desalination plant providing water for consumption on the island. This tour takes 3 hours.

Jeffrey Wong Sang - Bamboo Cathedral ▲

## CHAGUARAMAS TOUR

MILITARY HISTORY AND ADVENTURE TRAILS

Known for its beach-front boardwalk, scenic bays, sheltered greenery, recreational & sporting facilities, and nature trails, Chaguaramas boasts attractions for the water sport enthusiast as well as the adventurer and eco-tourist.

- **Option 1:** learn the history of Chaguaramas, visit the Military History and Aviation Museum and bathe at Williams Bay.
- **Option 2:** learn the history of Chaguaramas, zip line and bathing at Macqueripe.

## HISTORIC MORUGA TOUR

VISIT A PART OF TRINIDAD FEW GET TO SEE!

This fishing village on south side of Trinidad is filled with attractions for people who like sightseeing. Visit Punta de la Playa, the Christopher Columbus monument, the iconic Baily Bridge and more. This tour takes 8 hours.

Moruga River, Trekearth.com ▼

San Fernando City Hall - Anthony Alexander ▲

## HISTORIC SAN FERNANDO

VISIT THE OIL CAPITAL OF TRINIDAD!

Get a panoramic view of the "Sando" city from the San Fernando Hill - you can catch a glimpse of the little-known island, Faralon Rock. The city is also noted for having the first municipally owned Power Station in the British Empire, the structure still stands today. This tour takes 5 hours.

## CEDROS ICACOS TOUR

EXPLORE THE SOUTH WESTERN PENINSULA

Visit the ruins of the WWII US Army Bunker at Green Hill, the 4km stretch of beach at Columbus Bay, and the Great Icacos Lagoon, an estuarine basin mangrove of approximately 330 hectares. This tour takes 8 hours.

Great Icacos Lagoon, TT National Trust ▼

Iere Village Islamic Mosque, TT National Trust ▲

## PRINCES TOWN TOUR

EXPLORE THE SOUTH WESTERN PENINSULA

When Prince George and Prince Albert visited the area, they left their mark by planting two Poui trees. Visit the village of firsts in T&T, first Government Primary School, first Masjid, first Canadian Presbyterian church and one of our lesser known railway tunnels. This tour takes 6 hours.
